To do

1. Divide yourselves into few groups
2. Find an academic paper (must be a research article)
3. Download a relevant critical appraisal tool from the [JBI website](#)
4. Discuss in the group
5. Present:
 - 5 minutes - what is the is all about?
 - 2 minutes - summary of the JBI tool that your group downloaded
 - 10 minutes - critically appraise the paper based on your judgement and the JBI tools:
 - The goods
 - The bads
 - The weird
